

VINEYARD

Appellation	Rogue Valley, Oregon
Site	Our Estate vineyard is planted at the convergence of the Cascade and Siskiyou mountain ranges at the southern end of the Rogue Valley AVA, on ancient ocean sandstones mixed with prehistoric river deposits. At 2,100 feet in elevation, cool mountain air moderates temperatures throughout the growing season, ensuring ripe flavors and balanced textures.
Clonal Selections	4407, 777, Pommard, 667, Wädenswil
Planted	2012 & 2018

VINTAGE

Growing Season	The 2020 growing season began with moderate spring temperatures and average timing for bud break and bloom. Overall yields were lower than in recent vintages, while warm temperatures in July and August ensured ripe fruit and flavor development. The combination of low yields and warm temperatures led to extraordinary wines with high acidity, ripe tannins, and expressive fruit.

WINEMAKING

Varietal Composition	100% Pinot Noir
Fermentation	Each block of our estate Pinot Noir is managed separately and fermented individually, enabling us to express its unique combination of terroir, clone and rootstock. Our fruit is hand-picked, hand-sorted and gently destemmed into small, temperature-controlled tanks. Fermentation is conducted by specific organic yeasts, and each lot is punched down twice daily. To achieve the right level of maceration and extraction, careful consideration is given to when and how hard each lot is pressed.
Aging	As a winemaker's barrel selection, the barrels for this blend were chosen for density and concentration. They expressed darker fruit and spice aromas, with structured, ageable tannins. This wine spent seventeen months in 37% new, 25% once-filled, and 38% neutral French oak barrels from coopers that provide additional power and finesse.
Cases Release Date	381 October 1, 2022
Tasting Notes	Aromatics of huckleberry spice, crushed rose, and bramble fill the glass. A slightly savory character enhances the palate which is layered with notes of chocolate, blackberry vines and blueberry.
